President

April, 2011

Dear Sirs,

I am pleased to offer a reference for the artist, Shelly Hamill. During our Grand Gala Hotel opening in April 2009, we displayed several of Mrs. Hamill's mosaic sculptures in the public spaces of the hotel, and at the time received a great many positive comments on her works. Shelly, in turn, was very successful in the sale of her works of art. Our relationship has continued through 2010 and 2011, each season commencing with a Shelly Hamill Art Opening. Shelly's pieces range in price from \$1000-3800. She has continued to find the venue of the Rosewood Tucker's Point to be successful for her. It has been equally beneficial for the Hotel.

We hope to continue to support Shelly's work, and would enthusiastically recommend that other properties with a similar market position to Rosewood Tucker's Point do so as well.

With my best wishes for Shelly Hamill's continued success.

Sincerely,

Edward Trippe
